Decorative Acrylic Panels

Interior Concepts is increasing available panel options with decorative acrylic options. Decorative acrylic options are a simple way to give a dramatic and unique look to workstations. These acrylic panels have an upcharge and the list price upcharge is on a per panel basis according to the type and size of the panel. If you wish to consider the decorative acrylics, please indicate this at the time of quotation due to available panel sizes.

The colors shown are reproductions of the actual product and WILL vary in color from what is shown here. Although not shown below, clear and frosted acrylic options are still available.
