

COLOR SELECTIONS GRADE

1

 Interior Concepts™

- Worksurface edging will match the metal selection as the standard option, but some laminates have a coordinating worksurface edge (*indicated by a *; See 3mm card for all options.*).
- To order color chips of the samples shown, or to discuss finishes outside of our standard selections, please contact your sales representative or call 800.678.5550.
- Please note that there may be slight variations in color and texture between the printed card and the actual product.
