

INFLUENCE CONFERENCE DESK

The pneumatic counterbalance adjustment on this Influence desk just might be the easiest height-adjustable option available without the need for power. Simply pull the trigger handle to adjust. Adjust this instructor desk and use seated for a serious work session, or standing while leading a presentation or meeting with students. This desk features a conference area on either the right or left side that's ideal for one-on-one lessons. Round out teaching spaces with mobile storage and additional accessories like a monitor arm or storage drawer.
