MOTION COLLABORATION TABLE

This sprocket-shaped table promotes teamwork and comfortably sits 3–6 people; or multiple tables can be grouped for larger collaborations. Classroom or conference area creativity can also be increased when worksurfaces are whiteboards, allowing people to jot down ideas or solve complex problems. This unique table is available with glides or casters, a power/data port, or push-pin height adjustment.

FEATURES

- Use a single table, or in groupings of 2, 3, or 6
- Overall size: 60" x 68.8", 24" ends
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Metal-to-metal connection from leg to worksurface for easy installation and a strong hold
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS

- Laminate or whiteboard worksurface
- Glides or casters
- Fixed 29" H worksurface, or optional easy push-pin height adjustment from 26"–35"
- Spill-resistant power/data desktop outlet
- Numerous color options (to view, visit the Resources Section at interiorconcepts.com)
