

MOTION FLIP-TOP TABLES

Tasked with meeting the needs of different group sizes and diverse functions, many classrooms, training rooms, and multi-purpose rooms need to offer layout flexibility. With fluctuating demands, Motion flip-top tables by Interior Concepts are the perfect fit.

Tables flip and lock vertically with an easy to use quick-release handle — allowing space-saving nesting when fewer tables are required. Outfitted with casters, these tables can be effortlessly rearranged from rows to groups. Additionally, if the tables are shared between rooms, the flip-top and casters allow smooth passage through doorways.
