

PINWHEEL TABLES

Pinwheel tables allow effortless room layout transformations from classroom to small groups. Working well alone, or in groups of 3, 5, or 6, pinwheel tables offer day-to-day flexibility when adapting a classroom to accommodate lesson plans or multiple users.

Worksurfaces and legs come in a variety of colors. When paired with chairs, they can create a colorful and fun learning environment.

FEATURES

- Pinwheel shape promotes collaboration and creativity
- Use a single table, or in groupings of 3, 5, or 6
- Overall Size: 34" x 38"
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Metal-to-metal connection from leg to worksurface for easy installation and a strong hold
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

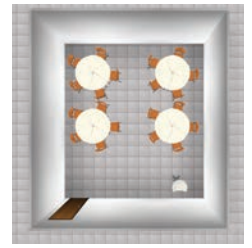

OPTIONS

- Laminate or whiteboard worksurface
- Glides or casters
- Fixed 29" H worksurface, or optional easy push-pin height adjustment from 24"–34" or 26"–35"
- Numerous color options (to view, visit the Resources Section at interiorconcepts.com)
